Costs: Shop Fee	\$ 50.00
Parts	???
Return Shipping	<u>10.00</u>
Total Due	\$60.00 + parts. Parts average \$15 - \$30.

I understand that my board will be tested and analyzed for free. If it cannot be fixed, there will be no charge to me. When repaired I must pay any amount due before the board is returned to me. I understand that if parts are not available, the repair could take up to 10 days. Otherwise the board is generally repaired in a couple business days.

If the amount due is not paid within 45 days, then the board will be considered abandoned and become the property of Aberdeen Home Repair. All repaired boards carry a 1-year warranty (same as buying a new board). The warranty does include the entire board, not just the parts we replaced. If the board fails within 1 year, contact us. DO NOT SEND US BOARDS THAT HAVE BEEN DAMAGED BY WATER OR FIRE. Water or fire also voids any warranty. Warranty does not include labor for installation or any service rendered other than the work performed in our shop. Warranty is void if repaired boards have been incorrectly installed. We are not liable for any damages of any kind or type, especially those caused by a defective or incorrectly installed board. A qualified insured technician is highly recommended on all repairs.

X

I understand and agree to the above (please sign)

[] Check or credit card number enclosed: _____

Exp _____ CCV (3-digit # on back) _____ . All cards accepted.

[] Call me at the above phone # when the repair is completed and I will give you a credit card number over the phone.

To repair your board, we need to know the following information:

Model number of unit it was removed from: _____

Serial number of unit it was removed from: _____

NOTE: For Coleman Blend Air control boards, please send us both the upper and lower boards. Trust us, this will save you a lot of time and hassle as over 50% of the time, the problem is in the board you didn't send us.

Tell us what's wrong in the space below (ie what's your unit doing or not doing?) Please be detailed.
